<b>Program Description (written by Provider)</b>  Our lessons are based on the AZ State Academic Standards. Reading instruction will be a cohesive blend of whole language and phonics instruction. Mathematics will be hands-on and presented using visual and auditory techniques to maximize understanding for all learning styles. The Six Traits Writing technique is the foundation for our writing program. All educational areas will be supplemented with the <i>After School Achievers</i> program by Houghton Mifflin Company.	
<b>Evidence of Effectiveness (written by Provider)</b>  During our first year of service the average amount of improvement that our students made was 18%. This number reflects students who did not finish the program (moved, transportation problems, ect).
